Iowa scientists, engineers, science educators and science students are cordially invited to submit abstracts to be considered for poster or oral presentation at the 126th Annual Meeting of the Iowa Academy of Science. Whether your work is in progress or complete, you are encouraged to submit an abstract. Presenting at the IAS Annual Meeting is an excellent opportunity for you and your colleagues to interact with other Iowa scientists. 

Our meeting offers a friendly atmosphere for undergraduate and graduate students to gain experience in presenting their research to others. You do not need to be a member of the Academy to present at the Iowa Academy of Science Annual Meeting.

Abstract submission is open through January 31, 2014.
